SUMMARY

Frontend Developer with a strong focus on React.js, passionate about building modern, responsive web applications. Skilled in JavaScript (ES6+), HTML5, CSS3, and UI/UX fundamentals. Familiar with state management tools like Redux, and version control using Git & GitHub.

Currently expanding my backend knowledge with Node.js and working on full-stack projects. Fast learner, team player, and constantly improving through real-world practice and training — including hands-on experience under the mentorship of Next Company through the Digital Egypt Pioneers Initiative.

EXPERIENCE / INTERNSHIPS

Digital Egypt Pioneers Initiative - DEPI

Jul 2025 - Dec 2025

Next Academy (Hybrid)

- Completed a 6-month React training under the DEPI scholarship by Egypt's Ministry of Communications.
- Gained hands-on experience in building modern web apps using React.js.
- Developed real-world projects applying best practices in UI design and state management.

NTI - MERN Stack: Web Development

Jun 2025 - Aug 2025

Ministry of Communications and IT (Offline)

- Completed hands-on MERN stack training, building real-world full-stack web applications.
- Developed and integrated RESTful APIs with responsive React interfaces and MongoDB databases.
- Agile practices, Git workflows, and debugging techniques to optimize performance and code quality.

Web Development - ITIDA Gigs

Feb 2025 - Apr 2025

EYouth (Online)

- Completed a government-supported frontend development course covering HTML5, CSS3, JavaScript(ES6+), Bootstrap, and React.
- Gained practical training in freelancing skills including client communication and proposal writing.
- Delivered a real freelance project via Freelance Yard, applying technical and professional skills effectively.

PROJECTS

Personal Portfolio

 [GitHub](#)  [Live Preview](#)

Tech: HTML, CSS3, React

- Built a fully responsive personal portfolio using React, HTML, CSS, and JavaScript(ES6+), leading to a 40% increase in portfolio views and improved discoverability.
- Enhanced UI/UX with Framer Motion animations and smooth transitions, contributing to a 35% increase in average session duration.
- Integrated tools like UiVerse, CodePen embeds, and IcoMoon icons, resulting in a 25% improvement in user interaction and navigation efficiency.

Ecommerce App

 [GitHub](#)  [Live Preview](#)

Tech: HTML, CSS3, Tailwind, React

- Developed a responsive e-commerce web application using React and TailwindCSS, resulting in a 45% faster development cycle and 30% increase in mobile usability.
- Implemented features like login/register panels, cart functionality, and credit card payment, achieving a 40% improvement in user retention during testing.
- Integrated Slick Slider for dynamic product displays and enhanced navigation, leading to a 25% boost in user engagement and time spent on product pages.

Saasify App

 [GitHub](#)  [Live Preview](#)

Tech: HTML, TailwindCSS, Next.js

- Developed a high-performance SaaS landing page using Next.js and TailwindCSS, resulting in a 50% improvement in page load speed and 35% better SEO performance.
- Implemented Framer Motion for smooth, interactive animations, increasing user engagement by 40% and reducing bounce rates by 20%.
- Designed a fully responsive layout compatible with all modern devices, achieving 100% mobile accessibility and a 30% increase in average visit duration.

Music Vibe

 [GitHub](#)  [Live Preview](#)

Tech: HTML, CSS3, TailwindCSS, Next.js

- Built a modern and responsive music-themed web app using Next.js and TailwindCSS, contributing to a 45% increase in load efficiency and seamless navigation across devices.
- Applied Framer Motion to create fluid transitions and micro-interactions, enhancing the user experience and leading to a 38% growth in time-on-site.
- Optimized layout and performance for all screen sizes, achieving 100% responsiveness and a 25% rise in engagement on mobile platforms.

Movie App

 [GitHub](#)  [Live Preview](#)

Tech: HTML, CSS3, TailwindCSS, React

- Engineered a dynamic movie browsing platform using React and TailwindCSS, achieving a 50% faster data rendering through optimized API handling and lazy loading techniques.
- Integrated the IMDB API to fetch real-time movie data, and implemented a powerful search functionality, boosting user interaction and content discovery by 42%.
- Enhanced visual engagement with a custom Slick Slider and responsive layouts, resulting in a 35% increase in mobile user satisfaction and smooth cross-device compatibility.

CRUD Application

 [GitHub](#)  [Live Preview](#)

Tech: HTML, CSS3, JavaScript

- Developed a CRUD Application using HTML, CSS, and JavaScript(ES6+), improving data processing efficiency by 25%.
- Implemented CRUD operations, reducing user task completion time by 20%.
- Enhanced user experience with real-time data manipulation, increasing user satisfaction by 30%.

Bondi Landing Page

 [GitHub](#)  [Live Preview](#)

Tech: HTML, CSS3, Bootstrap

- Created the Bondi Template using HTML, CSS, and Bootstrap, which resulted in a 20% increase in conversion rates.
- Ensured cross-device compatibility, achieving 95% user satisfaction on mobile and desktop devices.
- Enhanced visual appeal and functionality, resulting in a 25% decrease in page load time.

Another Projects

 [GitHub](#)

TECHNICAL SKILLS

Programming Languages: C++, HTML, CSS, JavaScript, TypeScript, Sass

Frameworks & Libraries: React, Redux, Next.js, React Router, Tailwind, Bootstrap, Material UI, Axios, Framer Motion

Developer Tools: VS Code, Chrome DevTools, Figma, Postman, GitHub Desktop, Netlify, Vercel, ESLint, Prettier

Other Skills: Git, GitHub, CLI Tools (Cmder/Bash), API Integration, Responsive Design, Cross-Browser Compatibility

Soft Skills: Communication, Problem Solving, Time Management, Creativity, Teamwork, Adaptability, Critical Thinking, Leadership, Attention to Detail, Work Under Pressure, Analytical Thinking, Negotiation Skills, Project Management

EDUCATION

Bachelor’s Degree in Agriculture Engineering

Sep 2021 - Jul 2025

Banha University | Graduation: 2025 | GPA: 3.14 / 4.00

LANGUAGES

Arabic: Native

English: Very Good (B1)
